

**Further clarifications to RFQ UNFPA/LKA/RFA/18/02 based on questions received by suppliers
by 12 noon on Friday, 26 October 2018**

- **Main Structure**
 - The dome is a *custom designed polygon dome* with a square circumference of 40ft x 40ft x 20ft (H) ([Visual inspiration of dome exterior structure](#))
 - According to [Visual 1](#) and [Visual 2](#) provided with the RFQ, the photo frames are mounted on polycarbonate sheet installations, which are situated inside the steel frame polygon dome
 - The cube structure is 25ft x 25ft x 20ft (H) with 75% sides covered. Purpose is to continue the exhibition as well as have a stage and space for workshop / sitting-in theatre. It should be placed next to the dome, so that people first walk in through the dome, and then enter the cube area.
 - 4 entrance/exit for the dome and 2 entrance/exit for the cube (one dome exit and one cube entrance should be interlinked) [Please see floor plan here.](#)
 - The top covering material for both the dome and cube should be preferably a white flex material
- **Cooling System**
 - 20 nos. wall fans should be situated inside the dome and cube
- **Lights**
 - Picture frames should have sufficient lighting to illuminate the pictures (there is no particular required bulb voltage)
 - 25 nos. LED lights are 4ft strip LED tube lights
- **Display**
 - 04 Output Media Server should support playing separate videos through each channel (sometimes it will be the same video, sometimes different videos)
- **Frames**
 - All photo frames require a 1x1 box bar steel frame with Eco Board print pasted and fixed to the frame
 - Quote must include printing costs for printing of all photos in photo-quality, suitable for outdoor conditions
- **Floor Boards**
 - 40 ft x 40 ft for the dome
 - 26 ft x 26 ft for the cube
 - 12 ft x 8ft x 1ft (H) stage inside the cube area
- **Curved LED Wall**
 - Alternative option/s can be suggested
- **Power**
 - 12 nos. Power Outlets (5 or 13 amp) required for laptops and fans
- **Official opening on 24 Nov 2018**
 - Non-alcoholic finger-food menu from a reputed catering service provider
 - Per person cost within the range of Rs. 2,500 – 3,000/- (4-5 items including soft drink)
- **AV Tech Support**
 - 2 AV Tech support staff required on site from 6am – 12 midnight for 17 days
- **Submission of Quotation**
 - Annex 1 has been revised. Please use the updated word document template accessible [here](#).
